Detailed description: This is a hand-drawn wireframe of a web page for posting job listings. At the top, there's a header with 'Stand By', a search bar, and user authentication buttons ('Hi Restaurant!', 'Log out'). Below that, a navigation bar has 'Posted Jobs' and a highlighted 'Post a Job' button. The main content area starts with a 'Job Title' input field. Under 'Shift:', there are two columns of dropdown menus for selecting hours. The first column shows hours from 01 to 15, and the second from 00 to 15. Between them is a 'til' operator and a colon. To the right of the shift selection is a large 'Job Description' text area. Below the description is a 'Salary:' label followed by a dollar sign and an input field. A 'Submit' button is located at the bottom right.

Detailed description: This is a hand-drawn wireframe of a web page for managing shifts and viewing history. The header is identical to the previous page. The main content is divided into 'Open Shifts' and 'Your Shifts' sections. Under 'Upcoming Jobs', there are two boxes for 'Sat Mar. 01' and 'Sat Mar. 10', each listing a job title, pay rate, and shift details. Below this is a 'Past Jobs' section with five boxes for shifts on 'Mon Jan. 03', 'Mon Jan. 10', 'Wed Jan. 12', 'Fri. Feb. 07', and 'Sun. Feb. 21'. Each box contains the job title, pay rate, and the amount earned.
